**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Stop AT&Ts attempts to become a monopoly, they cannot be allowed to take away access to critical unbundled network elements. These unbundled elements are critical last-mile copper and inter-city fiber and are vital for competition to thrive.

The FCC must take action to prevent this blatant attempt to limit competition across the USA.

James Reid
